RULES AND ORDERS
OF THE
BOARD OF ALDERMEN.

SECTION 1. The Mayor, and in his absence the chairman of the Board, shall take the chair at the hour to which the Board shall have adjourned, and shall call the members to order, and, a quorum being present, shall cause the minutes of the preceding regular meeting to be read; and, in the absence of the Mayor and chairman, the senior member present shall preside as chairman *pro tempore*.

SECT. 2. He shall preserve decorum and order; may speak to points of order in preference to other members, and shall decide all questions of order, subject to an appeal to the Board, by motion regularly seconded: and no other business shall be in order till the question on appeal shall have been decided.

SECT. 3. He shall declare all votes; but, if any member rises to doubt a vote, he shall cause a return of the members voting in the affirmative and in the negative, without debate on the question.

SECT. 4. He may read sitting; but shall rise to state a motion, or put a question to the Board.

SECT. 5. When the Mayor shall desire to vacate the chair, he shall call the chairman of the Board to take it, and in his absence the senior member present. When the chairman of the Board or the chairman *pro tempore* shall desire to vacate the chair, he may call any member to it; but such substitution shall not continue beyond an adjournment.

SECT. 6. On all questions and motions whatsoever, the chair shall take the sense of the Board by yeas and nays, provided any member shall so require. And every ordinance, resolution or order (except orders of notice, papers from the Common Council, orders of inquiry, and orders relating to the department of health), after being read, shall be laid on the table before its consideration by the Board; and no such resolution or order (except as above) shall be considered at the same meeting at which it is offered, except by special vote.

SECT. 7. The chair shall propound all questions in the order in which they are moved, unless the subsequent motion shall be previous in its nature, except that in the naming sums and fixing times, the largest sum and longest time shall be put first.

SECT. 8. After a motion is stated or read by the chair, it shall be deemed to be in possession of the Board, and shall be disposed of by vote; but the mover may withdraw it at any time before a decision or amendment.

SECT. 9. When a question is under debate, the chair shall receive no motion but *to adjourn, to lay on the table, to postpone to a day certain, to commit, to amend, or to postpone indefinitely*; which several

motions shall have precedence in the order in which they stand arranged; and a motion to strike out the enacting clause of an ordinance shall be equivalent to a motion to postpone indefinitely.

SECT. 10. The chair shall consider a motion to adjourn as always in order, except on an immediate repetition; and that motion, and the motion to lay on the table or to take up from the table, shall be decided without debate.

SECT. 11. When a vote has been passed, it shall be in order for any member to move a reconsideration thereof, at the same meeting; or he may give notice to the Clerk within twenty-four hours of the adjournment of his intention to move a reconsideration at the next regular meeting, in which case the Clerk shall retain possession of the papers until the next regular meeting; and, when a motion for reconsideration is decided, that vote shall not be reconsidered.

SECT. 12. Every member when about to speak shall rise, and respectfully address the chair; shall confine himself to the question under debate, and avoid personalities.

SECT. 13. No member speaking shall be interrupted by another, but by rising to a call to order, or for explanation.

SECT. 14. No member shall be permitted to vote, or serve on any committee, on any question where his private right is immediately concerned, distinct from the public interest.

SECT. 15. Every member who shall be present when a question is put where he is not excluded by

interest *shall* give his vote, unless the Board for special reasons shall excuse him. Application to be so excused on any question must be made before the Board is divided, or before the calling of the yeas and nays; and such application shall be accompanied by a brief statement of the reasons, and shall be decided without debate.

SECT. 16. Every motion shall be reduced to writing, if the chair shall so direct.

SECT. 17. Any member may require the division of a question, when the sense will admit of it. A motion to strike out and insert shall be deemed indivisible; but a motion to strike out being lost shall not preclude amendment, or a motion to strike out and insert.

SECT. 18. No motion or proposition of a subject different from that under consideration shall be admitted under color of amendment.

SECT. 19. Motions and reports may be committed or recommitted at the pleasure of the Board.

SECT. 20. When a vote is doubted, the members for and against the question, when called on by the chair, shall rise, and stand till they are counted.

SECT. 21. All questions relating to priority of business to be acted upon shall be decided without debate.

SECT. 22. When a motion is made to refer any subject, and different committees are proposed, the question shall be taken in the following order:—

1. To a standing committee of the Board.
2. To a select committee of the Board.

3. To a joint standing committee.

4. To a joint select committee.

SECT. 23. The following standing committees of the Board, to consist of three members each, and the members of the joint standing committees on the part of this Board (named in the joint rules and orders of the City Council), shall be appointed by the Mayor:—

Measures—Paving and Repairs of Streets—Police
—Sewers and Drains—Streets—Steam Engines
and Furnaces. All other committees, unless other-
wise provided for, or especially directed by the Board,
shall be appointed by the chair.

SECT. 24. At every regular meeting of the Board,
the order of business shall be as follows:—

1. Communications from His Honor the Mayor.
2. Presentation of Petitions, Memorials and Re-
monstrances.
3. Unfinished Business of preceding meeting.
4. Papers from the Common Council.
5. Reports of City Officers.
6. Reports of Committees.
7. Motions, Orders and Resolutions.

And the above order of business shall not be de-
parted from, but by the votes of a majority of the
members of the Board present.

SECT. 25. Each committee *elected* on the part of this Board shall organize at its first meeting by the choice of a chairman, and shall report the same to this Board; and in all cases where the chair appoints a committee, unless otherwise provided for, the member first named shall be chairman, and in his absence, the member next in order who shall be present shall be chairman *pro tempore*.

SECT. 26. Committees of the Board, to whom any matter is specially referred, may be required to report within four weeks, or ask for further time.

SECT. 27. No standing or special committee of the Board of Aldermen shall be authorized to contract or expend from the appropriations provided by the City Council an amount exceeding *five hundred dollars*, unless otherwise provided in the ordinances of the city, or unless authority for such contract or expenditure be first had and obtained from the Mayor and aldermen.

SECT. 28. No committee shall draw any moneys from the city treasury for the purpose of paying the expense of said committee, or any portion of the same, while absent from the city of Boston, unless authorized by special vote of the Board.

SECT. 29. No person except a member of the Board shall be permitted to occupy the seat of any member while the Board is in session.

SECT. 30. The foregoing rules shall not be altered, amended, suspended or repealed at any time, except by the vote of two-thirds of the members of the Board present at the time.

to the City Council shall be written in a fair hand, and no indorsement of any kind shall be made on the reports, memorials, or other papers referred to a committee. Every report of a committee shall be signed by a member belonging to the body to which it shall be presented, unless otherwise directed by the committee.

SECT. 12. The clerk of the committees shall, at the request of the chairman, make copies of any papers to be reported by a committee.

ORDINANCES, ORDERS, AND RESOLUTIONS.

SECT. 13. If any ordinance, order, or resolution, originating in one branch, is rejected in the other, notice shall be given, by the Clerk, to the branch in which the same originated.

SECT. 14. All By-Laws passed by the City Council shall be termed "Ordinances," and the enacting style shall be: "Be it ordained by the Aldermen and Common Council of the city of Boston in City Council assembled."

No order or vote which is not in the form of an ordinance shall have the effect to amend, suspend, or repeal any ordinance.

SECT. 15. In all votes, when either or both branches of the City Council express anything by way of *command*, the form of expression shall be "Ordered;" and when either or both branches express *opinions, principles, facts, or purposes*, the form shall be "Resolved."

APPROPRIATIONS AND EXPENDITURES.

SECT. 16. In the present and every future financial year the specific appropriation for the several objects enumerated in the general appropriation order shall be deemed and taken to be the maximum amount to be expended by the several committees, boards and officers having the charge thereof, for the entire financial year, and shall be expended with a proper regard thereto. Whenever the amounts designated and appropriated as aforesaid have been expended, and an additional sum is required, or whenever the estimates for the completion of any object, or for any purpose, exceed the appropriation specially made therefor, or whenever an expenditure is required for an object, or a purpose, not contemplated at the time the appropriation was made, the committee, board or officer having charge thereof shall furnish to the City Council a detailed statement in print, of the expenditures already made, and the necessity for an additional appropriation; and no contract shall be made, nor expenditure authorized in either case, unless provision for the same shall be made by special transfer from some of the appropriations contained in the general appropriation bill, or by loan.

SECT. 17. When application shall be made for an additional appropriation, to be provided for by transfer or loan, such appropriation shall not be made until the application has been referred to, and reported upon by, the Committee on Finance.

SECT. 18. No order authorizing the borrowing of

money, or the transfer of one appropriation or part of an appropriation to another appropriation, shall be passed, unless two-thirds of the whole number of the members of each branch of the City Council vote in the affirmative by vote taken by yea and nay.

SECT. 19. No presiding officer of any Board or chairman of any committee shall audit or approve any bill or account against the city, for any supplies or services, which have not been ordered or authorized by such Board or committee at a regular meeting.

SECT. 20. No bills for refreshments or carriage-hire furnished to any member of the city government shall be paid, unless such bills shall specify in detail the names of the members to whom such refreshments or carriages were furnished, the dates of furnishing the same, and have been approved by the presiding officer of a Board or the chairman of a standing or special committee of the City Council, or of either branch thereof, duly authorized by vote of such committee or Board at a regular meeting; such bills, when so approved, shall be paid from the appropriation to which they are incident; and the Auditor of Accounts shall not receive or pass any such bill for the approval of the Committee on Accounts, unless it has been approved, as provided in this and the preceding section.

SECT. 21. All bills for refreshment or carriage-hire, incurred more than three months previous to the date of their presentation to the Auditor, shall go before the City Council for approval.

SECT. 22. The foregoing rules shall not be altered, amended, suspended or repealed at any time, except by the votes of two-thirds of the members of each branch of the City Council.

RULES AND ORDERS
OF THE
COMMON COUNCIL.

PRESIDENT.

SECTION 1. The President shall take the chair precisely at the hour to which the Council shall have adjourned; shall call the members to order; and, on the appearance of a quorum, shall proceed to business.

SECT. 2. He shall preserve decorum and order; may speak to points of order in preference to other members; and shall decide all questions of order, subject to an appeal to the Council.

[*With regard to appeal, see Rule 61.*]

SECT. 3. He shall declare all votes, subject to verification as hereinafter provided.

[*See Rules 63 and 64.*]

SECT. 4. He shall rise to address the Council, or to put a question, but may read sitting.

SECT. 5. He shall appoint all committees, unless their appointment is otherwise provided for by the Council.

SECT. 6. In all cases he may vote.

SECT. 7. He may at any time call another member to the chair, but such substitution shall not continue beyond an adjournment.

SECT. 8. In the absence of the President, the senior member present shall call the Council to order, and preside until a President *pro tempore* shall be chosen by ballot; and, if an election is not effected on a first trial, on a second and subsequent trials a plurality of votes shall elect.

CLERK.

SECT. 9. The Clerk shall keep a record of the votes and proceedings of the Council, and shall enter thereon, by their title, or otherwise, all orders and resolutions adopted, and all reports, petitions, memorials, and other papers presented; and he shall enter at length all accepted reports of select committees of the Council, in a separate journal to be kept for the purpose, and provided with an index.

SECT. 10. He shall note all questions of order raised, with the decisions made thereon, in an appendix to the record.

SECT. 11. He shall draw up all messages to the Board of Aldermen, and send them by the messenger.

SECT. 12. He shall, when required, attend the meetings of committees of the Council, and make their records.

SECT. 13. He shall retain possession of all papers in reference to which any member has given notice of his intention to move a reconsideration, as herein-

after provided, until the right of reconsideration has expired.

[*See Rule 65.*]

MEMBERS.

SECT. 14. Every member, when about to speak, shall rise and respectfully address the President; shall confine himself to the question under debate, and avoid personalities; and shall sit down when he has finished.

SECT. 15. No member shall speak or vote out of his place without the leave of the President.

SECT. 16. No member, having obtained the floor, shall speak more than fifteen minutes, without permission of the Council.

[*For cases in which less time, or no debate, is allowed, see Rules 23, 39, 51, 52, 53, 58, 59, 60, 62, 63, and 65.*]

SECT. 17. No member shall speak more than twice on one question, if objection is made, without first obtaining leave of the Council; nor more than once until the other members, who have not spoken, shall speak, if they so desire.

SECT. 18. No member shall in debate call another member by his name, but may allude to him by any intelligible and respectful designation.

SECT. 19. When two or more members rise to speak at the same time, the President shall name the member who is entitled to the floor.

SECT. 20. No member shall interrupt another while speaking, except by rising to call to order.

SECT. 21. No member shall be permitted to stand

up, to the interruption of another, while any member is speaking; or to pass unnecessarily between the President and the person speaking.

SECT. 22. No member shall be permitted to serve on any committee, or vote on any question, where his private right, distinct from the public interest, is immediately concerned.

[*See Rule 62.*]

SECT. 23. When any member shall be guilty of a breach of either of the rules and orders of the Council, he may be required by the President, or by the Council, to make satisfaction therefor; and in such a case, he shall not be allowed to vote nor speak, except once by way of excuse, till he has done so, unless otherwise ordered by the Council.

SECT. 24. The members of the Council shall not leave their places, on adjournment, until the President has declared the Council adjourned.

SECT. 25. The seats of the members of the Council shall be numbered, and shall be determined, in the presence of the Council, by drawing the names of members and the number of the seats simultaneously; and each member shall be entitled for the year to the seat bearing the number so drawn against his name, and shall not change it, except by the permission of the President.

[*For manner in which members may be excused from voting, see Rule 62.*]

[*No member required to serve on more than two committees, etc., see Rule 37.*]

SECT. 26. No person, except a member of the Council, shall be permitted to occupy the seat of any member while the Council is in session.

COMMITTEES.

SECT. 27. Standing Committees on *Elections*, *Police*, and *Paving* shall be appointed at the beginning of each municipal year, and shall consist of five members each.

SECT. 28. The members on the part of the Council of the Joint Standing Committee on Ordinances shall be a standing committee, to be styled the Committee on the *Judiciary*, to whom all disputed questions of law may be referred, and who shall, when required by the Council, obtain the opinion of the City Solicitor thereon, and report the same to the Council.

SECT. 29. All select committees of the Council shall consist of three members, unless otherwise ordered.

SECT. 30. In all committees appointed by the President, the member first-named shall be chairman, unless other provision is made. In the absence of such a member, the member next in order of appointment shall act as chairman *pro tempore*.

SECT. 31. All committees of the Council, chosen by ballot, or consisting of one or more from each ward, shall be notified of their first meeting by the Clerk, by the direction of the President; they shall organize at their first meeting by the choice of a chairman, and shall report their organization to the Council; and members on the part of the Council of joint committees, chosen as aforesaid, shall choose a chairman at their first meeting, and report to the Council in like manner.

SECT. 32. No meeting of any committee shall be

called upon less notice than twenty-four hours, without the consent of all the members thereof.

SECT. 33. No committee shall sit during the sessions of the Council, without special leave.

SECT. 34. It shall be the duty of all standing committees to keep a record of their doings in books provided by the city for that purpose.

SECT. 35. No report of any committee shall be entitled to be received, unless agreed to in committee assembled.

SECT. 36. Committees of the Council, to whom any matter is specially referred, may be required to report within four weeks, or to ask for further time.

SECT. 37. No member shall be obliged to serve on more than two committees at the same time, nor as chairman of more than one committee.

COMMITTEE OF THE WHOLE.

SECT. 38. When the Council shall determine to go into a Committee of the Whole, the President shall appoint the member who shall take the chair.

SECT. 39. The rules of proceeding in the Council shall be observed in Committee of the Whole, so far as they are applicable; but a motion to rise, report progress, and ask leave to sit again, shall be first in order, and shall be decided without debate; and the previous question shall not be moved.

COURSE OF PROCEEDINGS.

40. At every regular meeting of the Council the order of business shall be as follows:—

First. Reading of the Records of the preceding meeting, if called for by any member.

Second. Papers from the Board of Aldermen.

Third. Unfinished Business of preceding meetings, and motions for reconsideration.

Fourth. Communications and Reports from city officers.

Fifth. Presentation of Petitions, Remonstrances, and Memorials.

Sixth. Reports of Committees.

Seventh. Motions, Orders, and Resolutions.

Matters of the second and third class, not giving rise to a motion or debate, shall first be disposed of in the order in which they stand; after which the matters that were passed over shall be considered in like order and disposed of.

SECT. 41. All papers addressed to the Council shall be presented by the President, or by a member in his place; and, unless the Council shall otherwise determine, they shall be read by the President, or such other person as he may request, and be taken up in the order in which they are presented.

SECT. 42. All ordinances, orders, and resolutions shall have two several readings before they are finally passed.

SECT. 43. No ordinance whatever, and no order or resolution imposing penalties, or authorizing the expenditure of money, — whether the same may have been appropriated, or not — and no order or resolution authorizing a loan, shall have more than one reading on the same day; *provided*, however, that

nothing herein contained shall prevent the passage of an order, at any meeting of the Council, to authorize the printing of any document relating to the affairs of the city.

SECT. 44. All nominations of officers to be elected by ballot shall, after being reported, lie over for one week, before action is taken thereon.

MOTIONS.

SECT. 45. Every motion shall be reduced to writing, if the President shall so direct.

SECT. 46. The President shall, except as hereinafter provided, propound all questions in the order in which they are moved, unless the subsequent motion shall be previous in its nature. [*See Rules, 47, 48, 50, 51, 59, and 61.*]

SECT. 47. In naming sums and fixing times, the largest sums and longest time shall be put first.

SECT. 48. When a question is under debate, the President shall receive no motion but —

To adjourn,

To lay on the table,

For the previous question,

To postpone to a day certain,

To commit,

To amend, or

To postpone indefinitely.

These several motions shall have precedence in the order in which they stand arranged; and a motion to strike out the enacting clause of an ordinance shall be equivalent to a motion to postpone indefinitely.

SECT. 49. When a matter has been specially assigned to be taken up at a fixed hour, or at a certain stage of proceedings, such matter shall, at the time appointed, or at any time subsequent thereto, during the same or succeeding meetings, be in order, upon the call of any member, and take precedence of all other business.

SECT. 50. When a motion is made to refer any subject, and different committees are proposed, the question shall be taken in the following order:—

A standing committee of the Council.

A select committee of the Council.

A joint standing committee.

A joint select committee.

SECT. 51. A motion to adjourn shall be always in order, except upon an immediate repetition, and such motion shall be decided without debate.

SECT. 52. On the previous question and on the motions to lay on the table or take from the table, a time not exceeding ten minutes shall be allowed for debate, and no member shall speak more than three minutes.

On the previous question debates shall be allowed, only to give reasons why the main question shall not be put.

SECT. 53. All questions relating to priority of business to be acted upon shall be decided without debate.

SECT. 54. No motion or proposition of a subject different from that under consideration shall be admitted under color of amendment.

SECT. 55. Any member may require the division of a question, when the sense will admit of it. A motion to strike out and insert shall be deemed indivisible; but the rejection of a motion to strike out shall not preclude amendment, or a motion to strike out and insert.

SECT. 56. Motions and reports may be committed or recommitted at the pleasure of the Council.

SECT. 57. After a motion is stated or read by the President, it shall be deemed to be in possession of the Council, and shall be disposed of by vote; but the mover may, if no objection is made, withdraw it at any time before a decision or amendment.

PREVIOUS QUESTION.

SECT. 58. The previous question shall be put in the following form: "*Shall the main question be now put?*" and all debate upon the main question shall be suspended until the previous question has been decided.

SECT. 59. After the adoption of the previous question, the sense of the Council shall forthwith be taken upon amendments reported by a committee, then upon all pending amendments, and finally upon the main question.

SECT. 60. All incidental questions of order, arising after a motion is made for the previous question, shall be decided without debate, except on an appeal; and on such an appeal no member shall be allowed to speak more than once without leave of the Council.

APPEAL.

SECT. 61. No appeal from the decision of the President shall be entertained, unless it is seconded; and no other business shall be in order till the question on the appeal has been decided.

[*Regarding appeal, after motion is made for previous question, see Rule 60.*]

VOTING.

SECT. 62. Every member who is present when a question is put, if not excluded by interest, shall give his vote, unless the Council for special reason shall excuse him. Application to be so excused on any question must be made before the Council is divided, or before the calling of the yeas and nays, and such application shall be accompanied by a brief statement of reasons, and shall be decided without debate.

SECT. 63. If the President is unable to decide, or if any member rises and doubts a vote, the President shall cause a return of the members voting in the affirmative and in the negative, without further debate on the question.

SECT. 64. On all questions and motions whatsoever, whether before or after the previous question has been ordered, the President shall take the sense of the Council by yeas and nays, provided one-fifth of the members present shall so require.

RECONSIDERATION.

SECT. 65. When a vote has been passed, any member may move a reconsideration thereof at the

same meeting; or if he shall give notice to the Clerk, within twenty-four hours of the adjournment of such meeting, of his intention so to do, he may move a reconsideration at the next meeting, at which such motion shall be in order in the regular course of business. Debate on motions to reconsider shall be limited to thirty minutes, and no member shall speak more than five minutes. [*Clerk to retain papers. See Rule 13.*]

SECT. 66. When a motion for reconsideration has been decided, that decision shall not be reconsidered, and no question shall be twice reconsidered; nor shall any reconsideration be had upon either of the following motions:—

To adjourn,
To lay on the table,
To take from the table, or
For the previous question.

ELECTIONS.

SECT. 67. All salaried officers shall be elected by ballot.

[*Nominations of officers to lie over for one week. See Rule 44.*]

SECT. 68. For purposes of election, those members sitting at the right and left of the President's desk shall constitute the first division; and of the remainder, those sitting at the (President's) right of the middle aisle shall constitute the second division; and those at the left of said aisle, the third division. In appointing committees to collect, sort, and count

votes, the President shall select one member from each division, and it shall be the duty of each member of the committee to collect the ballots of his own division.

SECT. 69. In all elections by ballot the number of blanks and of ballots for ineligible persons shall be reported, but shall not be counted in the returns.

CUSHING'S MANUAL.

SECT. 70. The rules of parliamentary practice comprised in Cushing's Manual shall govern the Council in all cases to which they are applicable, and in which they are not inconsistent with these rules and orders, or the joint rules and orders of the City Council.

SUSPENSION, AMENDMENT AND REPEAL.

SECT. 71. No rule or order of the Council shall be dispensed with, altered or repealed, unless two-thirds of the members present consent thereto.

BRIDGES.

[Ord. pp. 76, 178, and July 13, 1874.]

The several bridges within the limits of the city, whether constructed over navigable streams or railroads, are under the control of the Board of Aldermen, and are subject immediately to the care and inspection of the City Engineer, who is required to examine and report annually upon their conditions and requirements. Operators, Cyrus A. George, Granville S. Mendell, Charles M. Chaplin, Uzziel Putnam.

Repairers, George S. Thom, Adam McAfee, Wm. H. Godfrey. [The above are appointed by the Board of Fire Commissioners.]

A constant watch is kept at the office, City Hall, night and day, by the operators. Each operator serves two alternate terms, of three hours each, as principal, and the same as assistant operator; so that twelve hours' service at the office, out of every twenty-four, is required from each operator. No operator is permitted to sleep during his watch, unless expressly relieved by some one else, and by consent of the Superintendent.

Each operator is accountable to the Superintendent for any mistakes that may occur at the office during his hours of duty.

An accurate account is kept of the time of giving each alarm, and of the station from which it originates, and all other necessary information.

Alarms are transmitted to the Central Office, from the Signal Stations or Boxes, by pulling a slide in the box. The police officers, and one other person resident near each station, have keys to the boxes.

ALARMS are sounded by striking the number of the box upon the *Alarm Bells* and upon the *Gongs* in the Engine-Houses.

EXAMPLES: To announce the existence of a fire near Box No. 41 (Old South Church), the bells will strike *four*, make a pause of a few seconds, then strike *one*, thus: 4—1. This will be repeated at intervals of about one-half minute.

For a fire near Box No. 145 (South Boston Point), the bells will strike *one*, make a pause, then strike *four*, another pause, then strike *five*, thus: 1—4—5.

Second Alarms are sounded by striking ten blows. *Third Alarms* are sounded by striking twelve blows twice, thus: 12—12.

In cases where the entire department are required, alarms are sounded by striking twelve blows three times, thus: 12—12—12.

In cases where Hook & Ladder Companies *only* are wanted, signal to be given by striking ten blows once, with the number of the Company struck twice, thus: Hook & Ladder No. one, 10—1—1. Hook & Ladder No. four, 10—4—4. Hook & Ladder No. seven, 10—7—7.

If more than one Hook & Ladder Company is wanted, the signal will be given thus: Hook & Ladder one and three, 10—1—1—3—3. Hook & Ladder two and four, 10—2—2—4—4. Hook & Ladder five and seven, 10—5—5—7—7.

Alarms are usually given about half a minute from the time the box is operated.

DIRECTIONS TO BE OBSERVED IN CASE OF FIRE.

Get the key to the nearest box to the fire.

Open the box—pull the hook all the way down **ONCE**, and let go.

Wait *one full minute* for the sound of the bells.

If you hear no sound *pull again*, and the *third* time if you get no sound.

If you fail the third time, go to the next nearest box and

do the same there,—but do not touch any other box if the nearest one gives the alarm.

After giving the alarm remain a while if *possible* by the box, so as to direct the firemen to the fire.

The police, upon hearing the bells, will spring their rattles and call the number of the box.

No person will give alarms for the same fire (after the first alarm has been given), without an order from an Engineer; and the person so ordered will be *sure* to go to the *same* box from which the first alarm was given, and report the same to the Chief Engineer. If, *however*, a fire breaks out while another is burning in a different section of the city, a *second* alarm can be given by a police officer without waiting for an order from an Engineer.

CAUTIONS TO PERSONS HOLDING SIGNAL KEYS.

1. Never open the box or touch the apparatus except in case of fire.
2. Never sound the alarm for fire seen at a distance.
3. Be reasonably sure there is a fire before sounding the alarm.
4. Be sure your box is locked before leaving it.
5. Never let the key go out of your possession, except to some responsible person to give an alarm of fire, and be sure the key is returned.
6. If you remove from your house or place of business return the key to the Fire Alarm Office without delay.

The City Hospital is situated on Harrison avenue, between Springfield and Concord streets, and was commenced in 1851, and consists of three pavilions connected with a central structure. This Hospital is intended for the use and comfort of poor patients, to whom medical care will be provided at the expense of the city; and it is also intended to provide accommodations and medical treatment to others who do not wish to be regarded as dependent on public charity.

The Hospital was suggested many years ago by ELISHA GOODNOW, who, by his will, dated July 12, 1849, gave property to the city, valued at \$25,000, for the establishment of a Free City Hospital in Ward Eleven or Twelve.

Another benefactor to the Hospital was the late LAWRENCE NICHOLS, who bequeathed to the city, for the use of the City Hospital, the sum of \$1,000.

HON. OTIS NORCROSS has given to the city a fund of \$2,000, to which has been added a bequest of \$1,000 by the late JONAS BALL, the interest of which is expended annually in furnishing *clothing* to indigent patients when leaving the Hospital.

In 1874 GEORGE GOODNOW gave to the city the sum of \$1,000, the interest of which is to be expended by the Trustees in the purchase of books and pamphlets for the use of the patients.

In 1875 a bequest was received from MARY LOUISA SHAW of \$2,000, the interest of which is to be expended by the Trustees for the purchase of fruits and flowers for the patients.

Application for admission of patients may be made at the

Hospital on each day of the week, Sundays excepted, between 9 and 11 o'clock, A.M.

Whenever able, the patient should apply in person. When not able to appear in person, application may be made by a friend, and the patient will be visited by some physician designated by the Trustees.

Persons accidentally wounded, or otherwise disabled or injured, shall be received at all hours.

On each day of the week, Sundays excepted, from 2 to 3 o'clock, P.M., *friends* may be permitted to visit *patients*; though no patient shall receive more than one visitor on the same day.

No visitor shall be allowed to give any article of food or drink to a patient, unless by permission of the nurse; and any article sent to the patients shall be left with the Superintendent.

From 1841 to 1847 various preliminary movements were made towards a City Library. In 1843 and 1847 books (some of considerable value) were received by the city, from the City of Paris, through M. VATTEMARE.

In 1847 a Joint Committee of the City Council on a Library was first appointed. The Hon. JOSIAH QUINCY, Jr., while Mayor, offered to give \$5,000 for a Public Library, on condition that the citizens should add \$10,000. The offer was not met.

On the 12th of March, 1848, an act of the State Legislature authorized the City of Boston to establish and maintain a Public Library, and it was accepted by the city April 3d. Meanwhile efforts to procure a union with the Athenæum Library had been unsuccessfully made.

In 1849 the Hon. R. C. WINTHROP, J. D. W. WILLIAMS, Esq., Hon. S. A. ELIOT, Dr. J. MASON WARREN, Dr. J. B. MCMAHON, and EZRA WESTON, Esq., presented books for a Library.

In 1850, August 5, the Hon. JOHN P. BIGELOW, while Mayor, presented \$1,000, which was funded, and two days later the Hon. EDWARD EVERETT presented his set of Public Doc-

uments and State Papers of the United States, with other works, numbering upwards of 1,000 vols.

JOSHUA BATES, ESQ., of London, whose early life was passed in Boston, having offered to this city the munificent sum of fifty thousand dollars, towards the purchase of books for the Public Library of the city, if the city would erect a suitable building for that purpose, on the 24th of February, 1853, an order was passed by the City Council, authorizing the Committee on the Library, in conference with the Board of Trustees, to purchase a suitable site for the erection of a building, which should be fully adapted for the purpose of the Library, including Mr. Bates' donation. Accordingly, said committee purchased 23,380 feet of land on Boylston street, opposite the Common, upon which an edifice was erected, at a cost to the city, for land and building, of about \$365,000.

This building was finished and delivered into the custody of the City Council, and by the City Council was transmitted to the care of the Trustees of the Public Library, with appropriate ceremonies, on January 1, 1858.

During 1871-2 extensive changes were made in the building, thereby increasing its capacity by nearly one hundred and fifty thousand volumes. In 1874-5, an addition was erected in the rear, giving increased accommodations for the official quarters, for the Patent Room, and the bindery, with rooms for the Barton and Prince Libraries. At the same time the Bates Hall was redecorated. In 1876 an exterior gallery was built between the rear towers.

Besides the above-mentioned donations in money, the sum of *ten thousand dollars* was subsequently given by Hon. JONATHAN PHILLIPS, who, by his will, *bequeathed* an additional sum of *twenty thousand dollars*. Another sum of *ten thousand dollars* was bequeathed by the late Hon. ABBOTT LAWRENCE. The executors under the will of the late MARY P. TOWNSEND devoted to the library *four thousand dollars*

of a sum to be appropriated at their discretion. The FRANKLIN CLUB, at its dissolution, gave *one thousand dollars*. The late GEORGE TICKNOR bequeathed *four thousand dollars*. The Hon. HENRY L. PIERCE, Mayor of the city in 1873, on retiring from the office, gave his salary for the year, *five thousand dollars*.

All of these sums have been funded by the City Council, and the annual proceeds are expended for the purchase of books of permanent value, in accordance with the special directions of the donors.

The sum of *one thousand dollars* was given by the late SAMUEL APPLETON, Esq., and the *same amount* by Mrs. SALLY I. K. SHEPARD, for the purpose of procuring books for the immediate use of the public.

Very valuable donations of *books* have been made by the late JOSHUA BATES (in addition to his gift of money), the late Rev. THEODORE PARKER, the heirs of the Hon. NATHANIEL BOWDITCH, GEORGE TICKNOR, Hon. HENRY L. PIERCE, and others.

The rich antiquarian Library collected by the Rev. THOMAS PRINCE, during the first half of the last century, was placed, in 1866, in the custody of the library, by the deacons of the Old South Church.

By the munificence of THOMAS G. APPLETON, Esq., of Boston, the very rich and valuable collection of engravings formerly belonging to Cardinal Tosti, of Rome, now deceased, was purchased and presented to the Public Library in 1869. The collection contains nearly eight thousand prints, six hundred of which are framed.

The very valuable general and Shakespearian Library of the late THOMAS P. BARTON, of New York, together with his engravings, autographs, etc., was purchased in 1873, numbering about 12,000 volumes.

III. *Non-Residents.* Non-resident members of educational institutions in the city, and other non-residents (when specially permitted, in consideration of the advancement of the public interests), may take books for home use, in accordance with the conditions imposed in each case by the Trustees.

Central Library books may be applied for at the several Branches.

EAST BOSTON BRANCH.

This Branch comprises two distinct collections of books, one begun by the East Boston Library Association in 1852, and merged in the Sumner Library in 1860, and presented to the City of Boston, and made to form a portion of the East Boston Branch Library; and the other of books taken from the Central Library, with additions by purchase, so as to give completeness and harmony to the whole.

This Branch Library (in the old Lyman School-house, on Meridian street) was opened to the public in November, 1870, and was formally dedicated by appropriate services on March 22, 1871.

SOUTH BOSTON BRANCH.

By a vote of the Mattapan Literary Association, its Library of about 1,500 volumes was made the nucleus of this Branch, and to these have been added books either withdrawn from the Central Library, or procured by purchase. In this way a collection of about 5,000 volumes was ready for use, and this Branch was opened on May 1st, 1872. The rooms for the Branch are in the Savings Bank Building, corner of Broadway and E street.

ROXBURY BRANCH.

Under the will of the late Caleb Fellowes, the Rev. George Putnam, D.D., S. C. Thwing, Esq., William Whiting, senior, and others to be joined with them by an act of incorporation, were invested with a trust, whose purpose is to establish a Library, and erect a building for it, within half a mile of the meeting-house of the first Religious Society in Roxbury, on Eliot square. As it was deemed for the interest of all concerned that the advantages of these funds should be joined, with such others as may accrue from the provisions made by the City Council for the benefit of the District of Roxbury, in the way of a Branch of the Public Library, the Mayor, authorized by the City Council, signed an indenture with the Trustees of the Fellowes Athenæum, by which that institution is united with the Branch Library. The agreement (to be found in the Report of the Library for 1872) in effect gives the citizens of the Highlands a Library, the same in kind with the Bates Hall collection, though on a smaller scale, to be increased by the Fellowes Fund, now yielding about \$2,500 a year, while the city maintains a popular Library in connection therewith, to be of the character of the Lower Hall of the Central Library and of the other Branches. The building on the corner of Millmont street and Lambert avenue was com-

pleted, and the Library opened, in the summer of 1873. The Trustees of the Fellowes Athenæum contributed \$3,000 towards supplying the books with which it was opened. The present Trustees of the Fellowes Athenæum are George Putnam, D.D., *President*; Nathaniel J. Bradlee; Samuel C. Cobb; W. C. Collar; Charles K. Dillaway; Rev. Edward E. Hale; Joseph S. Ropes; William Whiting, senior; John F. Osgood, *Secretary*; Supply C. Thwing, *Treasurer*.

The entire control of the joint collections, and the government of the Branch is vested by the contract in the Trustees of the Public Library.

CHARLESTOWN BRANCH.

The Public Library of Charlestown, which was established in 1862, became, on the 5th of January, 1874, through the annexation of that city, the Charlestown Branch of the Public Library of the City of Boston. It occupies the second story of the former City Hall in Charlestown.

BRIGHTON BRANCH.

The Holton Library, owned and maintained by the town of Brighton, and established in 1864, became, on the 5th of January, 1874, the Brighton Branch of the Public Library of the City of Boston. In August, 1874, the new Library building, begun by the town of Brighton, was completed, and the Library was transferred to it the same month; and services of dedication took place in October.

DORCHESTER BRANCH.

This Branch has rooms in the new City Building at Field's corner, where it was opened in January, 1875, after dedicatory services had been held earlier in the same month. A Delivery of the Branch has been established at the Lower

Mills, and books are asked for and received there, passing to and from the Dorchester Branch by a daily express box.

The election of Mayor for 1845 was more warmly contested than in any former year. There were not less than eight several

ballotings by the citizens. At the eighth trial, on the twenty-first of February, Thomas A. Davis was elected.

In the mean time, from January to February 27, 1845, William Parker, one of the Aldermen, having been elected chairman of the Board of Aldermen, performed the duties of Mayor.

On the sixth of October, Thomas A. Davis, being in declining health, resigned the office of Mayor, which resignation, however, was not accepted by the City Council; and, on the twenty-second of November, he died, being the first Mayor who has died in office since the organization of the city government in 1822.

On the eleventh of December, Josiah Quincy, Jr., was elected Mayor by the City Council, for the unexpired term of 1845. Benson Leavitt, one of the Board of Aldermen, acted as chairman of the Board in the interval between the death of Mr. Davis and the election of Mr. Quincy.

In 1851 Benjamin Seaver, having already been elected an Alderman of the city for 1852, was afterwards chosen Mayor for said year. At the commencement of the ensuing municipal year, 1852, he resigned as an Alderman, and accepted the office of Mayor.

The election of Mayor for 1854 was continued through three ballotings, from December 12, 1853, to January 9, 1854. In the mean time the duties of Mayor were performed by Benjamin L. Allen, Chairman of the Board of Aldermen.

At the municipal election in 1872, William Gaston was certified, by the *returns* of the officers of the several wards, to have been elected Mayor of the city for the next municipal term. But upon charges of alleged fraudulent practices in one of the wards of the city, a *recount of all the ballots* cast at said election was demanded and made, and it appearing therefrom that Henry L. Pierce had 79 plurality, he was declared duly elected Mayor for the year 1873.

In 1873 Henry L. Pierce, Mayor of the city, was elected a member of the 43d Congress from the Third Massachusetts District, in place of William Whiting, deceased. Mr. Pierce resigned his office as Mayor on November 29, and occupied his seat in Congress on Dec. 1, 1873.

The duties of the Mayor for the remainder of the municipal year were performed by Leonard R. Cutter, Chairman of the Board of Aldermen, who signed all official papers as "Acting Mayor."

ALDERMEN.

Nathaniel P. Russell, Daniel Baxter, Joseph H. Dorr, re-elected ; and Thomas C. Wales and Redford Webster, elected 1825, declined.

George Blake, re-elected for 1826, declined.

John Stevens, elected for 1832, died prior to the organization.

James Savage, elected for 1834, declined.

In 1845 William Parker resigned.

In 1848 George E. Head resigned, and was afterwards chosen one of the Principal Assessors.

In 1843 Lyman Perry, who had been duly elected an Alderman, died before his qualification.

In 1856 Levi B. Meriam died while in office.

In 1858 Rufus B. Bradford resigned, and was afterwards appointed Measurer of Grain.

In 1859 Timothy A. Sumner resigned on account of illness, and soon afterwards died.

At the municipal election, in 1852, *nine* Aldermen had a majority of ballots ; but in accordance with the statute the eight who had the highest number of votes were declared elected.

The Municipal Government for 1855 was the first one that was organized under the new or revised City Charter, which provided for the annual election of *twelve* Aldermen.

For reports of *contested seats* in the Board of Aldermen, see City Document No. 7, for 1861, and City Document No. 16, for 1862

COMMON COUNCIL.

William Bowes Bradford, Ward 3, elected 1822, did not qualify himself, declining to be sworn, there being then no provision for affirmation, except for Quakers.

Lucius Manlius Sargent, Ward 6, elected for 1827, declined.

Henry D. Gray and Isaac Harris, Ward 1 ; Eleazer Howard, Ward 2, and Joseph H. Thayer, Ward 9, elected for 1828 ; also, Holmes Hinckley, Ward 11, for 1845, declined prior to the organization.

Samuel Thaxter, Ward 6, elected for 1830, declined.

William Foster, Ward 6, elected for 1831, declined.

John Boles, Ward 3, re-elected for 1838, declined.

The Junior of George Morey, omitted 1829.

Asa Adams, Ward 3, took the intermediate name of Perry, 1830.

Henry Andrews, Ward 2, elected in 1833, afterwards took the intermediate letter R.

The Junior of Joshua Seaver, Ward 6, omitted 1833.

The Junior of Henry Fowle, Ward 2, omitted 1837.

The Junior of Francis Brinley, Ward 10, omitted 1838.

The Junior of Ezra Lincoln, omitted 1851.

The Junior of William B. Fowle, omitted 1865.

Ezra Forristall, Ward 6, resigned in May, 1853, and was elected Superintendent of Health.

Daniel J. Coburn, Ward 5, resigned in April, 1855, and was thereafter appointed Chief of Police.

Edward F. Robinson, Ward 11, resigned in May, 1861, and was elected a Principal Assessor.

Charles J. McCarthy, Ward 7, resigned in March, 1862, and was appointed Paymaster of Relief Funds to Families of Soldiers in the United States service from Boston.

Daniel Dowd, a member from Ward 13, died in office September, 1872.

Thomas H. Doherty, of Ward 2, died in office August, 1873.

Hillman B. Barnes, of Ward 11, died in office September, 1874.

Edward J. Long, of Ward 8, died in office November, 1875.

Stephen G. Jones, of Ward 4, resigned in March, 1876.

Thomas J. Fitzpatrick, of Ward 13, died in office March, 1876.

There have been seventeen successfully contested elections.

The first, February 22, 1830, vacated the seat of a member from Ward 6, on the ground that "closing the poll before the hour at which the voters were notified it would be closed, was a violation of the rights of the voters."

The second, May 7, 1835, vacated the seats of the members of Ward 3, who were returned as having been elected at an adjourned meeting, December 11, 1834, on the ground of irregular proceeding, to render the whole number of votes certain by taking the highest number of votes for candidates on each opposing ticket; adjournment of the meeting by the sole authority of the Warden, and other irregularities, at the annual election, December 8.

The third case, March 7, 1839, vacated the seats of three mem-

bers of Ward 12, on the ground that a number of illegal voters, sufficient to affect the choice, voted at the polls.

The fourth, February 9, 1843, vacated the seats of three members from Ward 1, returned as elected at the adjourned meeting, December 14, on the ground that four votes for non-resident candidates (after having been first thrown out by the ward officers)* were counted at the annual election, December 12, thereby preventing the choice of two other candidates, who, by excluding the said four votes, were by the decision of the Council declared elected, leaving one vacancy.

The fifth, February 27, 1851, vacated the seats of two members from Ward 3, on the ground that they were chosen at an adjourned meeting which was illegally held. At the subsequent trial the same members were again returned to the Common Council.

The sixth, January 20, 1853, vacated the seats of three members of Ward 3, on the ground that they were chosen at an adjourned meeting which was illegally held.

The seventh, February 3, 1853, in accordance with the *Report of the Committee on Elections*, vacated the seats of three members from Ward 11, on the ground that the Mayor and Aldermen had no right to issue warrants for election of members of the Common Council, after the annual election, and before the organization of the government elect. But inasmuch as the elections in question were conducted *bona fide*, and no other informality was apparent, and as this custom of supplementary elections had been in vogue for twenty years, the members thus elected were by the vote of the Common Council declared entitled to their seats.

The eighth, March 19, 1863, in accordance with the *Report of the Committee on Elections*, vacated the seat of a member from Ward 3, on the ground that at the time of his election he was not an inhabitant of that ward. Before a decision was reached on this point the member in question resigned.

The ninth, April 9, 1863, vacated the seats of the entire delegation from Ward 10, on the ground that more votes were returned than there were persons who voted in that ward at the municipal election, — occasioned by mistake, probably in the counting of the ballots, — the variation being so great as to affect the election of

* This fact was admitted, though not stated in the report of the committee.

the whole delegation. At the subsequent trial the same members were again returned to the Common Council.

The tenth, January 24, 1867, vacated the seat of a member from Ward 3, who was chosen at an *adjourned meeting* (held on account of a tie vote at the regular meeting, Dec. 10, 1866), on the ground that the polls at said adjourned meeting were not kept open the same number of hours as were required by the original warrant. At a subsequent election the same member was returned to the Common Council. [See City Doc. No. 12, for 1867.]

The eleventh, January 16, 1868, vacated the seat of a member returned for Ward 10, because, by the count of the original ballots cast in said ward, it appeared that another person was chosen.

The twelfth, January 6, 1870, vacated the seat of a member returned from Ward 13, for the same reason as recited above.

The thirteenth, January 5, 1871, vacated the seat of a member returned from Ward 15 for the same reason.

The fourteenth, January 18, 1872, vacated the seat of a member returned from Ward 7, for the same reason.

The fifteenth occurred as follows:—

At the annual municipal election in 1871, Frederick S. Risteen was declared elected as a member from Ward 10. This election was contested by J. Q. A. Brackett, and a recount of the original ballots showed that said Brackett was elected by a plurality of one ballot over F. S. Risteen, and said Brackett was accordingly declared, by the Common Council of 1872, to be entitled to the seat. Subsequently Mr. Risteen contested this decision on the ground that his name was erased from a number of ballots by some one of the ward officers *after* said ballots were deposited by the voters. After a protracted inquiry the Common Council sustained this view of the case, and Mr. Risteen was again returned to his former seat, and was again duly qualified on February 1, 1872. [See City Doc. No. 18.]

The sixteenth, January 8, 1874, vacated the seat of a member returned from Ward 13, because, by the count of the original ballots cast in said ward, it appeared that another person was chosen.

The seventeenth, January 14, 1875, vacated the seat of a member from Ward 1, because by the count of the original ballots cast in said ward, it appeared that another person was elected.
